

SHADOW THE HEDGEHOG 2:

MEPHILES' REVENGE

BY:

Kristen De La Fuente

Int. Eggman's Base - Day

Shadow is infiltrating EGGMAN'S BASE to gather some info to what the doctor is planning with Rouge helping him by disabling the security cameras.

ROUGE

Shadow, do you read me?

Shadow heard his partner on the ear piece.

SHADOW

Yes, are the cameras disabled?

ROUGE

Affirmative, you're all clear.

SHADOW

Roger that.

Shadow grabs his suppressor and gets inside.

Fade out.

Int. Inside the base

Shadow runs inside and hides behind cover because there are some of FBI agents in the way of the door to the files that they need.

SHADOW (to himself):

Damn it, I've got to get in there and
watch my six because they look like
professionals.

Shadow aims and fires his suppressor
at one of the agents and the agent
goes down.

AGENT 2:

You hear that?

AGENT 3:

Yeah, it came from the entrance.

The two agents came out to find their
partner dead with a bullet in the
head.

Before Shadow could open fire, he noticed some purple aura around them like they were being controlled by someone or something.

SHADOW

What's wrong with them? I've got to report this to Rouge.

He put away the suppressor in his holster, took out a camera and got a little bit closer.

As soon as he took a picture, one of the agents heard the camera shutter and spotted Shadow.

AGENT 2:

AN INTURDER!

They drew out their weapons and started shooting.

Shadow hid behind cover, took out a pistol and shot two bullets, but missed.

He reloaded and shot some more, killing one of them and got shot by the other. The bullet hit him in the side.

Shadow winced, putting pressure on the wound with one hand and continued shooting with the other.

After killing the last agent, he put away the pistol, got the files, and as he was getting out, he felt a weird feeling that someone was watching him, but dismissed it.

Mephiles, a crystalized hedgehog was watching the cameras and saw a black hedgehog limping out of the base.

MEPHILES

You won't hide from me Shadow, we'll make you suffer and take over this world.

He turned and faced a jackal with a mask and the leader of the Black Arms.

MEPHILES

Isn't that right?

They both nodded, knowing they'll enjoy making Shadow suffer, especially the jackal named Infinite.

Fade out.

Int. Outside the base

Rouge was getting worried about Shadow because she heard gunshots and thought the worse and was relieved when she saw him alive, but that relieve turned to shock when she saw him still holding his side in pain. She ran to him.

ROUGE

Shadow, you're okay?

SHADOW

Y- Yeah, I'm fine.

Shadow handed her the files and Rouge noticed the blood trickling down from his side.

He flinched as she pulled his hand away, which is covered with blood, and got a cloth to cover the wound.

ROUGE

Hold that, and I'll call HQ to get you some medical assistance.

Shadow put his free hand on a nearby wall to support himself up as Rouge informed G.U.N of the mission and his condition.

While she was doing so, Shadow thought about that strange purple stuff around those agents, and what happened before they arrived. He also got that weird feeling again and a chill ran down his spine because he sensed something was wrong and looked up to see a sniper on top of a building across from them.

The sniper took aim at Rouge's head as Shadow grabbed a riot shield and limped towards her.

SHADOW

GET DOWN!

Rouge didn't listen, and the sniper fired. Shadow got there just in time for the bullet to hit the shield.

Rouge looked confused as Shadow grabbed her by the hand and ran off with the shield covering them from sniper fire.

The sniper grew pissed, went to a different position and took a shot.

The bullet hit the shield that Shadow was holding.

ROUGE

Shadow, what's wrong?

Shadow didn't answer, he kept on limping.

ROUGE

SHADOW STOP, YOU'RE GOING TO
MAKE YOUR WOUND WORSE IF YOU
KEEP THIS UP!

Shadow didn't care about his bullet wound. He cared about getting Rouge to safety.

Suddenly.....

BANG!

The bullet hit Shadow in the same side from earlier and he yelped. He dropped the shield, took cover from the sniper fire with Rouge as she tried to help him by putting pressure on it with a different cloth.

ROUGE

Shadow, it's okay, just stay with me.

Help is on the way.

Shadow was losing blood and the last thing he heard before he fell unconscious was the ambulance siren and Rouge's voice.

Fade out.

Int. Mobius Hospital - 4:00 PM

Shadow woke up and found himself in a room full of machines connected to him.

He tried getting up, but a nurse stopped him.

NURSE

Whoa, whoa, whoa, don't get up just yet.

SHADOW

W- What happened to me?

NURSE

You got shot in the side, you're very
lucky to be alive.

She changed his IV and left the room
and a grey wolf came in with Rouge
following behind.

The grey wolf introduced himself as
Dr. Wayne and he told Shadow about
what happened and that he will need to
stay with them for a few days.

SHADOW

What about Rouge?

ROUGE

I'll be fine Shadow, they just need to run some more tests. Omega and I will keep you updated on the mission.

SHADOW

Thanks.

And with that, Dr. Wayne and Rouge left Shadow in the room to let him get some rest.

Fade to black.

Int. Eggman's Base 5:15 PM

MEPHILES

HOW YOU DARE YOU LET THEM
ESCAPE?!

He was furious that the sniper let Shadow and Rouge get away.

SNIPER

I'm- I'm sorry sir, but I got
Shadow that he's in the
hospital.

He showed Mephiles the footage from
earlier that made him smile.

MEPHILES

Perfect, now to make him
suffer.

Infinite

Yes, what do you think we
should do?

Mephiles looked at the footage and saw
a white bat and got an idea.

MEPHILES

Let's kill the one that he
loves and he'll watch.

Infinite nodded at that idea and they laughed manically.

Fade out.

Int. Rouge's House - Night

Rouge was finding some info from the files that Shadow gave her on the computer when she heard a noise.

ROUGE

Hello? Is anyone there?

Rouge saved the documents, got up, and walked slowly, but she didn't notice that someone was following her.

ROUGE

Omega, is that you?

MEPHILES

Hello, Rouge.

Rouge turned around and gasped as she saw a crystalized hedgehog. She tried fighting back, but she was knocked out

by a bat to the back of the head by a jackal and everything went black.

Rouge woke up and found out that she was bound and gagged.

Mephiles came over to her with her phone.

MEPHILES

Call Shadow.

Infinite untied Rouge and Mephiles gave her the phone.

She found Shadow's contact and pressed the call button.

Next scene.

Int. Mobius Hospital - 10: 30 PM

Shadow woke up and saw that his phone was vibrating. He pick it and the caller ID said "Rouge" and he answered.

SHADOW

Hello?

ROUGE (VO)

Shadow, please help me, they'll kill
me.

Shadow felt a chill down his back when
he heard that.

SHADOW

Where are you?

ROUGE (VO)

My house.

SHADOW

Don't worry, I'm coming.

Shadow tears off the wires, grabs his stuff and chaos controlled out.

Fade to black.

Int. Rouge's house - 11:05 PM

Shadow arrived at the house and notices the door is still opened.

He arms himself and looks inside.

SHADOW

Rouge, you in here?

No answer.

SHADOW

Rouge, where are you?

He goes in and after checking all of the rooms downstairs, he heard footsteps coming from upstairs.

He went up, hoping to find Rouge there alive.

ROUGE (VO)

Shadow, in here.

Shadow's ears perked up when he heard her voice.

SHADOW

Where?

ROUGE (VO)

My room.

Shadow walked towards the doors, opened it slowly and found Rouge there tied up.

Shadow put away his weapon and ran to her.

SHADOW

Rouge, you alright?

ROUGE

SHADOW, BEHIND YOU!

Shadow turned around only to see a bat swing towards him and it knocked him out.

He opened his eyes to see a crystalized hedgehog and a jackal with the mask. He tried moving, but realized he was tied up.

He struggled to break free, but it was futile.

SHADOW

Who- who are you?

MEPHILES

You don't remember me, don't you
Shadow. But I remember you.

SHADOW

What do you want?

Mephiles signaled Infinite and he
brought Rouge with a knife towards her
neck.

SHADOW

No, YOU LEAVE HER OUT OF THIS, YOU SON
OF A BITCH!

He struggled, trying to get out of his
restrains. He also tried chaos
control, but the ropes was draining
his chaos powers.

SHADOW

Damn it.

Infinite was ready to slit Rouge's throat, but Mephiles stopped him.

He punched Shadow in the gut where his bullet wound was.

Mephiles

Where are the files?

SHADOW

Go to hell.

He punched Shadow again, this time in his face.

MEPHILES

I'm going to ask you one more time or the bat gets it.

He motioned Infinite and he put the knife closer to Rouge's throat.

MEPHILES

Now, where are those files that you stole?

SHADOW

Fuck you.

MEPHILES

I thought you might say that.

Mephiles gave Infinite the go ahead and he silted Rouge's throat.

SHADOW

NO!

Shadow's eyes was filling up with tears and was fueled with rage.

SHADOW

I'LL FUCKING KILL YOU.

Mephiles just chuckled at that threat and Infinite handed him the bat as he started to swing at Shadow.

Shadow was going into unconsciousness due to the beatings and everything went black.

Fade out.

Int. Station Square - 1:00 AM

Sonic, a blue hedgehog was doing his morning run when he saw the news about Rouge and heard about Shadow's disappearance. He called Tails, a two

tailed fox, who was working on a project.

TAILS

Hey Sonic, what's up?

SONIC (VO)

Tails, turn on the news!

Tails went to the living room and switched to the news.

NEWS ANCHOR

Authorities are still looking for Shadow the hedgehog, who went missing last night after the murder of his partner, Rouge the bat. If anyone has any information on Shadow's whereabouts, please contact the police.

TAILS

You think Shadow killed Rouge?

SONIC (VO)

No, we both know he wouldn't do that.

That was when the news feed went static and it when came back, the screen showed the news anchors dead in their seats.

Tails was horrified at what he just seen.

TAILS

S- Sonic, did you see that?!

SONIC (VO)

Tails, you alright?

TAILS

Yeah, why?

SONIC

It looks like their tearing each other apart.

Sonic was hiding behind a dumpster and he took a video of the citizens of Station Square getting scared and were indeed tearing themselves apart.

MEPHILES

This demonstration used just 6 ounces of my latest toxin.

Sonic looked at the screen and it showed Mephiles on there talking to some of them who weren't affected by the toxin.

MEPHILES

Tomorrow, this will seem like child's play.

Station square, this is your only
warning.

Fade out.

The civilizations were scrambling to
get in buses with G.U.N helping them
out of the city.

G.U.N AGENT

Next bus.

The bus drove away since it was full
and another bus pulled up waiting for
the next batch of people.

Mephiles' threat worked.

The Next Night...

A resistance was formed to put a stop to Mephiles' plan and their first mission was to find Shadow.

Knuckles, the leader of the resistance was advising a plan on how to find him.

Tails, the mechanical genius suggested that he fly up as aerial support.

KNUCKLES

Tails, that's dangerous. You'll get yourself killed.

TAILS

What about I take the biplane?

KNUCKLES

Too risky.

Sonic, the field agent, thought aerial support was a great idea.

SONIC

Knuckles, how about I help Tails out
from the ground?

Knuckles thought about it and sighed.

KNUCKLES

Alright, just be careful out there you
two.

Amy, the second-in-command, watched
as Sonic and Tails went out to find
Shadow.

Cream, the medic in training, was with
Dr. Wayne helping the remainder of the
survivors of the massacre that
happened last night.

KNUCKLES

Dr. Wayne, go with them and see if
Shadow will need medical attention
when you guys find him.

Dr. Wayne

You got it.

Cream

Where are you going?

Dr. Wayne

I'm going with Sonic and Tails to find
Shadow.

CREAM

I hope Mr. Shadow is okay.

DR. WAYNE

We all are. I'll be back.

Dr. Wayne grabbed his first aid kit and joined Sonic and Tails to find Shadow.

Fade out.

Int. Somewhere in a forest

Shadow slowly opened his eyes and found himself somewhere in the forest. The wound on his gut was getting infected, so he slowly turned over and pressed out some of the puss to avoid it. After doing so, he slowly got up by using a nearby tree to support himself.

SHADOW

I need to get out of here and find
some answers.

Shadow started limping away from where he was and hid behind another tree because he saw some mercenaries that were looking for him.

MERCENARY 1

What do you think the boss wants with him?

MERCENARY 2

I think Mephiles wants him to be his first test subject of the toxin.

Shadow listened in.

SHADOW

Toxin? What kind of toxin?

Suddenly, he felt a sharp pain in his gut. He got a leaf and held it down on the wound.

MERCENARY 1

Did you hear that?

MERCENARY 2

Yeah, it came from over there.
They started walking to where the
noise was.

Ext. Somewhere in a forest

Int. Outside of the forest

Sonic and Dr. Wayne were walking
towards the forest while Tails was
giving Intel from above.

SONIC

Tails, see anything?

Tails (VO)

Not yet.

After looking for almost an hour,
Tails saw a black hedgehog and also

mercenaries walking towards the injured hedgehog.

TAILS

SONIC, DR. WAYNE, I'VE FOUND SHADOW!

But he might need help.

Sonic and Dr. Wayne rushed into the forest and saw a couple of mercenaries walking towards a tree where Shadow was.

Sonic, without hesitation, did a homing attack on the mercenaries and one of them went down.

The other one turned around and saw a blue hedgehog up in the air going towards him, and he smacked Sonic out of the air.

Sonic went down with a thud.

Tails saw this and gasped. He flew down fast and did a propeller attack on the second one. The mercenary went down.

Tails went to check on Sonic.

TAILS

You okay, Sonic?

Sonic got up and brushed himself off.

SONIC

Yeah, I'm fine buddy. Let's check on Shadow.

Sonic and Tails went to the tree and saw Shadow bleeding heavily.

SONIC

Oh no. DR. WAYNE, WE NEED SOME HELP
OVER HERE!

Dr. Wayne ran over to them and kneeled down next to Shadow.

DR. WAYNE

Let me see.

Shadow flinched as Dr. Wayne removed the leaf and saw the gaping wound. He opened the first aid and pulled out the peroxide.

DR. WAYNE

This is going to sting, Shadow.

Shadow nodded and grunted as the peroxide went on his wound.

After putting the peroxide on Shadow's wound, Dr. Wayne dressed it with some cream and wrapped a bandage around his waist.

DR. WAYNE

Let's get him back to base so he can get some rest.

Sonic and Tails nodded as they helped Shadow up and the four of them headed off to HQ.

Fade out.

Int. Resistance HQ

Knuckles was getting worried about Sonic, Tails and Dr. Wayne when he sent them out because they didn't report if they found Shadow alive or not.

He then heard static on his walkie talkie.

KUNCKLES

Tails, status report.

TAILS (VO)

We've found Shadow. He's alive, but he's really injured. Dr. Wayne patched him up before we left.

KNUCKLES

Ok, where are you guys?

TAILS (VO)

We're right outside.

Knuckles looked over at the monitors and he saw them waiting for him to open the door.

He put in a code in and the doors opened.

Tails walked in with Dr. Wayne and Sonic holding Shadow.

Dr. Wayne

Tails, Sonic, take Shadow to recovery.
I need to talk to Knuckles.

Tails nodded as he lifted Shadow's arm over his shoulder and he and Sonic went to take Shadow to the recovery room.

Knuckles walked towards Dr. Wayne.

KUNCKLES

How's Shadow?

DR. WAYNE

He's gravely injured, but he's stabilized. He will need some rest.

KNUCKLES

That's good. Get me updated on his condition and we'll try to put a stop to Mephiles plan.

Dr. Wayne nodded and went to the recovery room where Shadow was trying to sleep, but he was tossing and turning.

DR. WAYNE

Cream, what's wrong with Shadow?

CREAM

It looks like he's having a nightmare. Shadow woke up with a fright as he looked around wondering where he was.

Cream went in to comfort him as Dr. Wayne changed the bandage on his waist.

CREAM

It's going to be okay Mr. Shadow.
You're safe here with us.

SHADOW

Where am I?

DR. WAYNE

You're at the resistance HQ. You
feeling okay?

SHADOW

No. I still can't get the image of
Rouge out of my head. Ever since that
night, I've been haunted by the fact I
couldn't save her.

Sonic and Tails were listening in and
was surprised by what they heard.

TAILS

Sonic, I'm really worried about
Shadow, I never seen him like this
before.

SONIC

Yeah, same here buddy. I guess seeing
what happened to Rouge reminded him of
Maria.

TAILS

Yeah, maybe.

DR. WAYNE

Shadow, just try and get some sleep.
I'll check up on you later.

SHADOW

Ok, thank you for patching me up back
there.

DR. WAYNE

You're welcome. Cream, watch him and
let me know if anything changes.

CREAM

Ok, Dr. Wayne.

Dr. Wayne went out and walked towards Knuckles and Amy.

DR. WAYNE

He's awake, but he's suffering from PTSD because of what happened.

AMY

Poor Shadow, he'll pull through. I know he will.

KNUCKLES

I agree with Amy. Are there any files that we can see what plan Mephiles has?

Shadow's ears perked up and tried getting up, but Cream stopped him.

CREAM

Mr. Shadow, please stay in bed. You're hurt and need some rest.

SHADOW

Sorry Cream, but I remembered something.

Shadow walked out and told Knuckles what he remembered.

SHADOW

I think Rouge still had some of those files on her computer. I'll go get them.

Knuckles stopped him.

KNUCKLES

Shadow, there's mercenaries all over her house. I'll send Tails to sneak in and get them.

SHADOW

What if he gets spotted, no one will be there to cover him while he downloads them.

Knuckles couldn't argue with that logic.

KNUCKLES

Tails, go to Rouge's house and download the files from the computer.

TAILS

You got it Knuckles!

Sonic was worried that Tails is going in by himself without any backup.

SONIC

Tails, that's dangerous. You'll be killed.

TAILS

Don't worry Sonic, I'll be okay.

SONIC

What if you get spotted?

Shadow walked up.

SHADOW

I'll cover him.

He turned to Knuckles.

SHADOW

You guys have an armory?

Knuckles nodded and he led Shadow to the armory.

KNUCKLES

Since you're the only one who knows how to use firearms, I know you'll keep Tails safe as well as all of us.

Shadow nodded and Knuckles left as Shadow armed himself with some handguns, ARs, suppressors, grenades, and smoke bombs.

Tails was waiting for Shadow to go to get the files.

TAILS (VO)

Shadow, you ready?

SHADOW

Ready.

Before Shadow left the armory, he talked to himself.

SHADOW

Don't worry Rouge, I'll avenge you,
and protect the others.

And with that, Shadow joined Tails to
get the files.

Fade out.
